

Serial No. 10/051,807
Amendment dated July 13, 2004
Reply to Office Action of March 30, 2004

Amendments to the Specification:

Please replace the paragraph on page 4, lines 16 and 17; that is, replace the paragraph on page 4, lines 16-17 which reads "Fig. 3 illustrates a...media to another." with the following amended paragraph:

Fig. 3 illustrates a further switching valve by which the user may switch from one type of blasting media to another.
